2. **Approval of Agenda**

Consensus to accept the agenda as circulated.

3. **Approval of Minutes**

Minutes approved.

4. **Business Arising**

1st Order: The first draft of the Sustainability portion of the Integrated Community Sustainability Plan, as drawn up by Kim Lewis, was presented to committee members for review and revision.

Committee approved of the format and content, and few revisions were required. Mike Hadley, Head of Public Works, noted that some of the issues addressed in the Plan were now dealt with or, currently being worked on. One of the concerns discussed was stormwater run-off and its accumulation on Main St. and the potential effects of stormwater erosion due to increasing precipitation levels of climate change. One addition included a need to provide better public education in all areas of sustainability.

5. **Next Meeting**

Monday, December 8, 2008 6pm.

**Adjournment**

Meeting adjourned at 7:30pm
