

Do you rent out an apartment, a house, or a room in your home?

The ***Guysborough County Housing Network*** is looking to speak with landlords, homeowners, property managers or vacation rental owners about rental properties in Guysborough County.

As we learn more about housing challenges and shortages, we will be holding consultations in communities to help prioritize what is needed and seek ideas for solutions.

How Can You Participate?

Contact Cat Marsden at 902 318-9845 or catjhancock@hotmail.com for an interview or to receive a link to an online survey.
